CAMPAIGNING FOR A BETTER BRITAIN

Britain First is a well-organised patriotic campaigning group that can - and does - fight back effectively against the politically correct madness that has infested our society.

Britain First helps people to organise so their voices can be heard by the out-of-touch politicians who are often quick to ignore the people who elected them - people like you!

Britain First is a volunteer-led group that wants to empower the man and woman on the street and to ensure that British families are no longer treated like second class citizens. It's time that decent, law-abiding, hard-working Brits had their voices heard!

Isn't it time we took our country back? Take the first step by calling Britain First, today! Please ring 0208 914 8212 or visit www.britainfirst.org
